

OliOli  
Winter Camps

**SPORTS  
SCIENCE**

<b>Reflexes</b>	Put your reaction skills to the test with exciting challenges!
<b>Center of Gravity</b>	Explore the science behind how athletes use their balance in a series of fun experiments and games.
<b>Co-ordination</b>	Make your very own foosball table and build your hand-eye co-ordination with fun experiments and exciting challenges!
<b>Muscle Memory</b>	Just like our brain, our muscles remember things too, build your very own dunk machine to test your muscle memory.
<b>OliOli® Cup</b>	Get ready for the biggest scavenger hunt tournament of them all - OliOli® cup! A variety of challenges await you all around the Museum.

**FAN  
ZONE**

<b>Get Match Ready!</b>	Make your very own unique props with DIY activities to bring on the game spirit!
<b>Game On</b>	A series of exciting team building games, Superhuman Olympics and player challenges to warm-up for our upcoming OliOli® Cup!
<b>Represent Your Colours</b>	Make your very own special jerseys by designing and tie-dying!
<b>Celebrations!</b>	Bring the cheers to your games by making your very own celebration instruments!
<b>OliOli® Cup</b>	Get ready for the biggest scavenger hunt tournament of them all - OliOli® cup! A variety of challenges await you all around the Museum.
