

CAMP ACTIVITIES

Kids will also enjoy daily gallery time during camp!

<p>Brush bots</p>	<p>Kids build small, motorized contraptions that move around in surprising ways, drawing and painting interesting patterns behind them. Throughout this fun and messy activity, kids explore concepts around electricity, motion, and patterns.</p>
<p>Motion Movies</p>	<p>"Lights, camera, action!" Learn how to bring your stories to life with just a camera, props, and a lot of imagination!</p>
<p>Tinker Tech</p>	<p>Unleash your creativity and explore the world of interactive technology with Makey Makey! Kids will learn how to turn everyday objects into touch-sensitive inputs for their computer and explore the concepts of electrical conductors to create their very own musical instruments.</p>
<p>Tri-BOT-lon!</p>	<p>Participate in a series of challenges and engaging activities, where kids learn the basics of programming, problem-solving, and teamwork while having a blast building a one-of-a-kind obstacle course for their robots!</p>
<p>Ready, Set, Scavenge!</p>	<p>Kids embark on a museum-wide challenge putting their agility, intellect and teamwork to the test!</p>
